

While You Wait - Caregiver Education Sessions

A series of education sessions will be offered to caregivers of children currently waiting for services as well as receiving active services at GJCC.

To register please call 623-4381 ext. 6844

Family-Focused Feeding

Opportunity to explore what is “picky eating” as well as some common causes and strategies you can use at home to help introduce new foods, encourage food exploration and help mealtimes become more enjoyable.

Parent education sessions are on hold at this time but please check our Facebook page and website for dates as they become available and for more information and resources.

Sensory Processing in Everyday Life

Learn how sensory processing fits into the many factors that affect our participation and enjoyment of daily activities. Begin to observe your child’s behaviour with these factors in mind and learn common strategies that could support them in everyday life.
